

D-Bar-A Scout Ranch Accident/Emergency Procedures

1. If injured person cannot move on their own without pain, Don't Move Them!
2. Notify the Campmasters located at the Martin Administration Center (*where you first entered camp*).
3. Explain the nature of the injuries and the Campmasters/Health Officer who will notify the proper personal as needed or help you find your way to medical assistance. Complete the Camp Accident Report (*included in this packet – additional forms available from Campmasters*).
4. For campers requiring the attention of a doctor or the services of a hospital, the unit must provide transportation for the unit members. The camp does not provide transportation. When a unit has none available, an ambulance will be called. One adult leader or parent must accompany the injured to the doctor/hospital and be prepared to show proof of insurance and a health history/health record.
5. Upon return to camp, the Camp Accident Report must be turned into the Campmaster/Health Officer.

Council Accident & Sickness Insurance Plan

Since February 1, 2006, registered youth members and registered adult leaders in Detroit Area Council units are covered by Council Accident & Sickness Insurance (*form is attached to this packet – additional forms available from Campmasters*). This assistance to units is funded by the Family Friends of Scouting Campaign.
