

# Pack 1970, St. Clair Shores, MI

## Revocation of Parent Release Form for Media Recording

---

Pack 1970 has photos and occasional video of many troop events and outings on our website. We also sometimes use these in newsletters, courts of honor and other scout-related ways. (*Scouts' last names and addresses are never published in the public area of our website.*)

Your permission to use these images is implied under the terms of the BSA Talent Release (<http://www.scouting.org/webmasters/standards/appendix-a.html>) as part of your annual registration agreement.

If you do not want photographs and images of your son to be used this way, please complete this Revocation of Talent Release form.

1. I do not give my permission to Pack 1970 to use the photographic, video or other image of my son(s) on the Pack website or in other scout-related ways.
2. I understand that all Pack activities are run by parent volunteers. These volunteers will review all photos and videos used by the Pack and will exclude images of your son(s) from use.
3. However I do understand that mistakes can occur and Pack 1970 cannot guarantee that an image of your son(s) will not ever be published. If I find an image containing my son(s) has been published, I will contact the Pack leadership (cubmaster, committee chairman or webmaster) to request that the image be removed, which the Pack will do.
4. This Revocation is valid for one year and should be renewed consistent with the Scout's annual registration process with the Pack.
